

How do you find the *perfect* excursion for the whole family?

CRYSTAL CRUISES SHORE EXCURSION FINDER

What if you want high adventure, or more exclusive experiences? How do you find excursions that include nature and wildlife, but aren't too physically challenging?

Crystal Cruises has introduced its Shore Excursion Finder, a dynamic new online feature allowing travellers to search and sort more than 1,500 Crystal Adventures ashore.

There are 12 **Activity Types**, including **Culinary, Cultural/Historical, Eco-Adventure/ Wildlife/ National Park, Entertainment, Flight-seeing, Sightseeing, Outdoor, Sports, Water, Overland**, the line's **Signature Collection** and **NEW Adventures**. Searching by **Activity Types**, foodies can find tours that take them to Chateau Smith-Haut-Lafitte* for a four-course dinner and wine tasting (available on V0212), or a tapas cooking lesson in Barcelona (available on V0309, V0312, V0212, V0318 & V0321). History buffs can search the "**Cultural/Historical**" options and find hundreds of choices suiting their interests, while water and nature lovers have categories specifically for them.

Undecided guests can also search by **Destination** and **Activity Level**, with difficulty ranging from "Soft" to "Extreme" Adventure. To further hone your search results, simply search by all categories simultaneously. Excursions can then be sorted by Age Appropriateness from age 3 to adults only, or Walking Level to specify preferred physicality.
