

REGENT SEVEN SEAS CRUISES ANNOUNCES EXCHANGE ADJUSTMENT SAVINGS

An offer to support our guests

With the current instability of Australian and New Zealand dollars, Regent has announced today a special saving that will allow their guests to purchase their 2009 voyages and ease the impact of the fluctuating currency.

Saving incentives are:

- **All new bookings – 15% reduction off the cruise fare for all new bookings made prior to 31 January 2009 and paid in full within option date (no deposits permitted).**
- **Existing deposited bookings that are not paid in full – 15% reduction of cruise fare if final monies received by 28 November 2008.**
- **Normal cancellation policies will apply to both offers.**

Regent Seven Seas Cruises is recognised as one of the world's premier luxury lines with features such as 6-star, all-suite, all-balcony ships, an all-inclusive onboard experience, Le Cordon Bleu® menus and superior space and service ratios.

In keeping with our brand promise of *Luxury Goes Exploring*®, it is our objective to provide an ultra-luxury cruise experience in all corners of the world.
