REGENT SEVEN SEAS CRUISES SMOKING POLICY

The issue of smoking on board cruise ships has become quite a hot topic in our industry. And while Regent Seven Seas Cruises is respectful of the lifestyle choices of our guests and will always give smokers a warm welcome, we also recognise the need to restrict where smoking is permitted so as not to cause discomfort to, or provide a health or safety hazard for, the majority of our guests who do not smoke.

In light of continuing legislative changes in smoking policies around the world as well as the health and safety issues involved, RSSC has changed changing our smoking policy in suites, staterooms and on private balconies. Not only does smoking present a fire hazard, but it is also an inconvenience to other guests as the smoke, or its odour, invades surrounding suites, balconies and public areas, creating discomfort for the guests in these areas.

Smoking is therefore prohibited in all suites, staterooms and balconies fleet-wide.

In addition, cigarette smoking is not permitted in any enclosed dining areas, whether it be the ships' main dining rooms or the alternate dining venues. Cigarette smoking is only permitted in designated areas of the outdoor Pool Grills. Other than open deck areas, the following are the only public rooms or areas where cigarette smoking is now permitted:

Seven Seas Voyager: Connoisseur Club, Casino, Voyager Lounge (designated area), Horizon Lounge (outside area only), Pool Bar

Seven Seas Mariner: Connoisseur Club, Casino, Stars Nightclub (designated area), Horizon Lounge (outside area only), Pool Bar

Seven Seas Navigator: Connoisseur Club, Casino, Stars Lounge (designated area), Galileo's (outside area only), Pool Bar

Paul Gauguin: La Palette (outside area only), Le Grill (designated area only), Pool Bar

Explorer II: Smoking Lounge on Bridge Deck

Pipe smoking is only permitted in the Connoisseur Club aboard Seven Seas Voyager, Mariner and Navigator. Pipe smoking in open deck areas is considered an extreme fire hazard and is not permitted. Cigar smoking is only permitted in the Connoisseur Club aboard Seven Seas Voyager, Mariner and Navigator, and in the designated area of the Pool Bar area aboard all four vessels.

Failure to comply with this ban will result in guests being asked to leave the ship at their expense, without refund or credit for the unused portion of their cruise. This decision was made after much deliberation, and we would appreciate your assistance in communicating our policy to your clients who are holding a reservation.
